Field	Min	Max	Mean	Median	Standard Deviation	Responses
Overall I am satisfied with the quality of the learning experiences in this workshop	1.00	1.00	1.00	1.00	0.00	4

Q5 - Overall I am satisfied with the quality of the learning experiences in this workshop

Field	Min	Max	Mean	Median	Standard Deviation	Responses
Overall I am satisfied with the quality of the learning experiences in this workshop	1.00	1.00	1.00	1.00	0.00	4

Q6 - Please comment on two aspects of this workshop that you find helpful or particularly good

Please comment on two aspects of this workshop that you find helpful or particularly good

help student review for the exam, and give helpful support on question

It was like a class I really liked that

Tutor and ppt

Interactive and engaging

Q7 - Please comment on two aspects of this workshop that you would like changed

Please comment on two aspects of this workshop that you would like changed

Not sure

Difficulty could be increased and more advanced workshops

More detail in slides.

Q18 - Please add any additional comments about your workshop here

Please add any additional comments about your workshop here

More helpful than a standard lecture

What do you like the most about this tutorial?

5 responses

teacher explains well and clear

Patient

The teaching style and explanation in details

The tutor explains every single step very well

The teaching style and pace

What part of the tutorial needs the most improvement?

4 responses

Handwriting can be a bit clearer

He is great. Sometimes need to speak louder for the corer

Everything is good nothing requires improvement

Idk

Any other comments or suggestions?

6 responses

n/a

None

No

Keep on the good work. Appreciate for your help

Very helpful and tries their best to help with my doubts
